Stillness Is the Key Ryan Holiday 2019-10-01 Instant #1 New York Times Bestseller & Wall Street Journal Bestseller In The Obstacle Is the Way and Ego Is the Enemy, bestselling author Ryan Holiday made ancient wisdom wildly popular with a new generation of leaders in sports, politics, and technology. In his new book, *Stillness Is the Key*, Holiday draws on timeless Stoic and Buddhist philosophy to show why slowing down is the secret weapon for those charging ahead. All great leaders, thinkers, artists, athletes, and visionaries share one indelible quality. It enables them to conquer their tempers. To avoid distraction and discover great insights. To achieve happiness and do the right thing. Ryan Holiday calls it stillness--to be steady while the world spins around you. In this book, he outlines a path for achieving this ancient, but urgently necessary way of living. Drawing on a wide range of history's greatest thinkers, from Confucius to Seneca, Marcus Aurelius to Thich Nhat Hanh, John Stuart Mill to Nietzsche, he argues that stillness is not mere inactivity, but the doorway to self-mastery, discipline, and focus. Holiday also examines figures who exemplified the power of stillness: baseball player Sadaharu Oh, whose study of Zen made him the greatest home run hitter of all time; Winston Churchill, who in balancing his busy public life with time spent laying bricks and painting at his Chartwell estate managed to save the world from annihilation in the process; Fred Rogers, who taught generations of children to see what was invisible to the eye; Anne Frank, whose journaling and love of nature guided her through unimaginable adversity. More than ever, people are overwhelmed. They face obstacles and egos and competition. *Stillness Is the Key* offers a simple but inspiring antidote to the stress of 24/7 news and social media. The stillness that we all seek is the path to meaning, contentment, and excellence in a world that needs more of it than ever.

How Life Imitates Chess Garry Kasparov 2010-08-10 Garry Kasparov was the highest-rated chess player in the world for over twenty years and is widely considered the greatest player that ever lived. In *How Life Imitates Chess* Kasparov distills the lessons he learned over a lifetime as a Grandmaster to offer a primer on successful decision-making: how to evaluate opportunities, anticipate the future, devise winning strategies. He relates in a lively, original way all the fundamentals, from the nuts and bolts of strategy, evaluation, and preparation to the subtler, more human arts of developing a personal style and using memory, intuition, imagination and even fantasy. Kasparov takes us through the great matches of his career, including legendary duels against both man (Grandmaster Anatoly Karpov) and machine (IBM chess supercomputer Deep Blue), enhancing the lessons of his many experiences with examples from politics, literature, sports

and military history. With candor, wisdom, and humor, Kasparov recounts his victories and his blunders, both from his years as a world-class competitor as well as his new life as a political leader in Russia. An inspiring book that combines unique strategic insight with personal memoir, *How Life Imitates Chess* is a glimpse inside the mind of one of today's greatest and most innovative thinkers. **Acquisitions List, African-American Collection** University of Pittsburgh.

If you're addicted to the taste of success and crave more, then you're ready for the results-driven performance formula found here. And if you're already winning and want to learn how to execute excellence repeatedly-so you can own not just this moment, but the next, and the next-then *Winning* is for you"--

The Life You Imagine Derek Jeter 2010-02-17 Ever wonder what it would take to turn all of your dreams into reality? In *The Life You Imagine*, All-Star New York Yankees shortstop Derek Jeter shows how you can use the same game plan that helped an eight-year-old boy who fantasized about playing baseball for the Bronx Bombers grow up and become MVP of the 2000 World Series. With the help and support of both of his parents, Derek developed a practical program that would assist him in achieving all of his personal and professional aspirations-and now he shares his secrets to success so that you can get closer to living your dream, too. In this inspiring, information-packed book, Derek provides you with the ten lessons that have guided him throughout his life on and off the field, from his dream of being a gifted, hardworking athlete to his goal of becoming an active community leader. Using personal stories from his own life as a student athlete in Kalamazoo, Michigan, and as a Yankee team player, Derek writes about the simple steps that

put him on course for success, including: * Setting your goals high and finding the right role models * Being serious but still having fun * Challenging yourself daily and not being afraid to fail * Surrounding yourself with a strong supporting cast Filled with rare family photos and pictures of Derek playing for the Yankees, *The Life You Imagine* is an intimate look into the life of a superstar athlete -- including the remarkable relationship he has with his family, what it's like to play with the Yankees, and how he's used his baseball celebrity to found the Turn 2 Foundation, a drug and alcohol prevention program for kids.

Mindset : Du blir vad du tänker Carol S. Dweck 2017-07-14 Boken *Mindset* har förändrat vårt sätt att prata om intelligens och förmåga till inlärning. Carol S. Dwecks banbrytande forskning om hur förmågor och prestationer utvecklas bygger på insikten att mänskliga egenskaper inte enbart är medfödda, utan något som kan påverkas av nya kunskaper och erfarenheter. Att utmana sig själv ofta, gärna prova nytt och se misslyckanden som ett sätt att lära, är avgörande för både personligt och professionellt lärande. Dweck kallar det för att ha ett dynamiskt mindset, till skillnad från det statiska mindset som skapar bekräftelsebehov och rädsla att misslyckas. Detta är en utökad utgåva av boken, där Dweck presenterar begreppet "falskt dynamiskt mindset". Med hjälp av det visar hon hur man kan undvika de vanligaste misstagen när man strävar efter att odla ett dynamiskt mindset. Läsaren får många tips och råd om hur man kan hjälpa sina barn, sina medarbetare eller sig själv att lära och utvecklas. Carol S. Dweck är en av världens ledande forskare inom personlighetspsykologi, socialpsykologi och utvecklingspsykologi. Hon har varit professor i psykologi vid Columbia-universitetet och är nu professor i psykologi vid Stanford-universitetet samt medlem av American Academy of Arts and Sciences.

Between the World and Me Ta-Nehisi Coates 2015-07-14 #1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

Mindset Carol S. Dweck 2006-02-28 The updated edition of the bestselling book that

has changed millions of lives with its insights into the growth mindset "Through clever research studies and engaging writing, Dweck illuminates how our beliefs about our capabilities exert tremendous influence on how we learn and which paths we take in life."—Bill Gates, GatesNotes After decades of research, world-renowned Stanford University psychologist Carol S. Dweck, Ph.D., discovered a simple but groundbreaking idea: the power of mindset. In this brilliant book, she shows how success in school, work, sports, the arts, and almost every area of human endeavor can be dramatically influenced by how we think about our talents and abilities. People with a fixed mindset—those who believe that abilities are fixed—are less likely to flourish than those with a growth mindset—those who believe that abilities can be developed. Mindset reveals how great parents, teachers, managers, and athletes can put this idea to use to foster outstanding accomplishment. In this edition, Dweck offers new insights into her now famous and broadly embraced concept. She introduces a phenomenon she calls false growth mindset and guides people toward adopting a deeper, truer growth mindset. She also expands the mindset concept beyond the individual, applying it to the cultures of groups and organizations. With the right mindset, you can motivate those you lead, teach, and love—to transform their lives and your own.

Changer d'état d'esprit Carol S. Dweck 2016-09-21 L'état d'esprit de développement, la clé de la réussite ! Durant ses nombreuses années de recherche en psychologie, Carol Dweck a découvert l'existence de deux états d'esprit bien distincts. Pensez-vous que votre intelligence est une donnée innée, que vous ne pouvez pas vraiment modifier ? Pensez-vous ne pas pouvoir changer les composantes essentielles de votre personnalité ? Si vous avez répondu « oui », il est fort probable que vous ayez un état d'esprit fixe. Ou bien pensez-vous plutôt que, peu importe votre niveau d'intelligence, il vous est possible de l'améliorer ? De modifier certains aspects de votre personnalité ? Oui ? Vous avez alors certainement un état d'esprit de développement. À partir de cette distinction, en apparence toute simple, Carol Dweck nous montre que, seuls, les capacités et le talent ne suffisent pas, mais que l'état d'esprit a un impact capital sur la réussite de notre vie. Le plus important pour relever et réussir des défis est de les aborder avec un état d'esprit de développement. Et Carol Dweck va vous montrer comment. Sur base de résultats de recherche, d'anecdotes de la vie quotidienne et d'éléments biographiques de personnalités célèbres, la chercheuse américaine applique sa méthode aux diverses facettes de l'existence (éducation, relations sociales et amoureuses, sport, monde des affaires). Un guide pratique qui vous aidera à vous développer et à réussir grâce à des pistes concrètes à appliquer dans votre vie quotidienne. Mindset Carol Dweck 2017-05-23 La destacada psicóloga e investigadora norteamericana Carol S. Dweck ha descubierto que existen dos mentalidades básicas: la mentalidad fija y la de crecimiento. Solo la segunda conduce a un éxito verdadero en todos los órdenes de la vida. ¿Cuál de las dos es la tuya? ¿Tienes idea de cuánto influyen en tu vida cotidiana y en tu futuro las ideas que tienes

acerca de ti mismo? ¿Sabes cómo cambiar de mentalidad y con ello transformar radicalmente tus posibilidades de realización personal? ¿Cómo podemos ayudar a nuestros hijos a desarrollar una mentalidad de crecimiento? Mindset responde a estas y muchas otras preguntas importantes. Es un libro que puede cambiar positivamente tu vida. Ya sea que lideres a personas, o bien que seas padre (lo cual es una forma de liderazgo) deja cualquier cosa que estés leyendo y toma este libro. Oprah Winfrey Speaks Janet Lowe 2001-01-22 "People have told me that their lives have changed because of me. I take away from this the sense that I'm on the right track." "I believe you're here to live your life with passion. Otherwise, you're just traveling through the world blindly-and there's no point to that." "Oprah's on." It's the catchphrase that inspires millions around the world to tune in to one of the most trusted women in the history of television. Almost everyone follows Oprah's every move. One word about a book club selection sends an obscure first novel rocketing to the top of the bestseller list. Oprah Winfrey possesses what is arguably one of the world's most influential voices. Alive with her unique warmth and insight, Oprah Winfrey Speaks reveals the mystique of Oprah in her own words. Drawing on hundreds of sources, Janet Lowe provides an evocative, personal portrait. Here are Oprah's opinions on everything from childhood and overcoming adversity to dealing with fame and staying real. Oprah Winfrey Speaks highlights Oprah's abiding faith, no-nonsense business rules, generosity, and love as well as her 10 commandments for lifelong success. Oprah's lifetime theme has been personal transformation-she's constantly seeking, questioning, changing, and growing. This uplifting theme echoes throughout Oprah Winfrey Speaks. Here is just a hint of the wisdom you'll discover: * "Just tell the truth. It'll save you every time." * "Don't complain about what you don't have. Use what you've got. To do less than your best is a sin. Every single one of us has the power for greatness, because greatness is determined by service-to yourself and to others." * "I am a woman in progress. I'm just trying like everyone else. I try to take every conflict, every experience and learn from it. All I know is that I can't be anybody else. And it's taken me a long time to realize that." * "If you're angry, be angry and deal with it. Don't go eat a bag of Ruffles." * "God blesses you better when you pray on your knees." The world listens when Oprah Winfrey Speaks Here's just a hint of the wisdom you'll find inside... "I am what I am because of my grandmother. My strength. My sense of reasoning. Everything. All that was set by the time I was six." "Luck is a matter of preparation meeting opportunity." "I always feel if you do right, right will follow." "You know the old clich-, 'a good man is hard to find'? Well, it's true. And the smarter you get, the harder they are to find." Eleven Rings Phil Jackson 2013-05-21 "Through candor and comprehensiveness, Jackson writes a convincing revisionist take, in which he emerges as an excellent coach . . . highly readable . . . reflects Jackson's polymathy." -The New York Times Book Review "Part sports memoir, part New Age spirit quest, part pseudo-management tract . . . But the primary thing with Jackson—as with all the old bards, who were also known for repeating themselves—is the voice." -Sam Anderson, The New York Times Magazine A New York Times Bestseller The inside story of one of basketball's most legendary and game-changing figures During his storied career as head coach of the Chicago Bulls and Los Angeles Lakers, Phil Jackson won more championships than any coach in the history of professional sports. Even more important, he succeeded in never wavering from coaching his way, from a place of deep values. Jackson was tagged as the "Zen master" half in jest by sportswriters, but the nickname speaks to an important truth: this is a coach who inspired, not goaded; who led by awakening and challenging the better angels of his players' nature, not their egos, fear, or greed. This is the story of a preacher's kid from North Dakota who grew up to be one of the most innovative leaders of our time. In his quest to reinvent himself, Jackson explored everything from humanistic psychology and Native American philosophy to Zen meditation. In the process, he developed a new approach to leadership based on freedom, authenticity, and selfless teamwork that turned the hypercompetitive world of professional sports on its head. In *Eleven Rings*, Jackson candidly describes how he:

- Learned the secrets of mindfulness and team chemistry while playing for the champion New York Knicks in the 1970s
- Managed Michael Jordan, the greatest player in the world, and got him to embrace selflessness, even if it meant losing a scoring title
- Forged successful teams out of players of varying abilities by getting them to trust one another and perform in sync
- Inspired Dennis Rodman and other "uncoachable" personalities to devote themselves to something larger than themselves
- Transformed Kobe Bryant from a rebellious teenager into a mature leader of a championship team. Eleven times, Jackson led his teams to the ultimate goal: the NBA championship—six times with the Chicago Bulls and five times with the Los Angeles Lakers. We all know the legendary stars on those teams, or think we do. What *Eleven Rings* shows us, however, is that when it comes to the most important lessons, we don't know very much at all. This book is full of revelations: about fascinating personalities and their drive to win; about the wellsprings of motivation and competition at the highest levels; and about what it takes to bring out the best in ourselves and others.

Szemléletváltás – A siker új pszichológiája Carol S. Dweck 2019-04-08 Miért nem segíti gyermekeink fejlődését, ha készségeiket és intelligenciájukat dicsérjük? A harsány, karizmatikus vagy a szerény, befelé forduló vezetők sikereesebbek? Vajon az akaratérőnkön múlik, hogy be tudjuk-e tartani fogadalmainkat? Nem csupán képességeinktől vagy tehetségünktől, sokkal inkább szemléletmódunktól függ, elérjük-e céljainkat. A megfelelő szemlélettel nemcsak gyerekeinket motiválhatjuk iskolai teljesítményük javítására, de mi is rengeteget fejlődhetünk mind személyes, mind szakmai téren. Carol S. Dweck, a Stanford Egyetem világszerte ismert pszichológiai professzora évtizedekig kutatta a siker titkát. Könyvében számos kutatás segítségével, a legkiválóbb vezetők, sportolók, szülők és tanárok példáin keresztül bebizonyítja, hogy ha fejlődési szemlélettel tekintünk

Basketball in America Frank Hoffmann 2016-05-23 Examine the social and cultural impact of basketball on America at the amateur and professional levels! *Basketball in America: From the Playgrounds to Jordan's Game and Beyond* is a pioneering analysis of the history of basketball and its effect on popular culture from the 1970s to today. The popularity of basketball is undeniable, and the subject allows for such a broad range of interpretations in popular culture. It cuts across economic, racial, and social boundaries, and its major stars cross over into other forms of popular entertainment more than any other professional sport. This book examines the entire scope of modern basketball history, from the playgrounds, where people first learn the fundamentals, to the college and professional levels. *Basketball in America* is a collection of essays that explores the intersection of basketball and popular culture in America. The contributors are an eclectic mix of writers, scholars, journalists, former players, coaches, and sports enthusiasts who all share an undying love for the game of basketball. The authors analyze the sport from a cross-cultural and historical perspective—digging deep into the profound popular cultural influences of basketball and exploring the scope and depth of its influence. This is the first book that examines the social and cultural impact of basketball on American society to reveal how tightly it is woven into America's cultural fabric. Also included are photographs and tables to enhance your understanding of the material. Topics covered in *Basketball in America* include: Elgin Baylor—the first "modern" basketball player Chocolate Thunder and Short Shorts: The NBA in the 1970s Dr. J, Bird, Magic, Jordan, and the Bad Boys: The NBA in the 1980s The Jordan Era: The NBA in the 1990s LeBron James and the future of the NBA the Nike brand and popular culture lessons learned from legendary UNC coach Dean Smith professional women's basketball and much more! *Basketball in America* is a comprehensive analysis that will appeal to anyone interested in understanding how the sport has become an integral part of our national culture. It is an insightful read for sports fans as well as for sports historians. In addition, this book can be used as a textbook in sports history or sociology of sports classes. It will entertain and inform those who treasure basketball and the role it plays in the American consciousness. Make it part of your collection today!

Google Speaks Janet Lowe 2009-05-04 In many ways, Google is the prototype of a successful twenty-first-century company. It uses technology in new ways to make information universally accessible; promotes a corporate culture that encourages creativity among its employees; and takes its role as a corporate citizen very seriously, investing in green initiatives and developing the largest corporate foundation in the United States. Following in the footsteps of Warren Buffett Speaks and Jack Welch Speaks—which contain a conversational style that successfully captures the essence of these business leaders—Google Speaks reveals the amazing story behind one of the most important new companies of our time by exploring the people and philosophies that have made it a global phenomenon in less than fifteen years. Written by bestselling author Janet Lowe, this book offers an engaging look at how Google's founders, Sergey Brin and Larry Page, transformed their vision of a better Internet search engine into a business colossus with about \$16 billion in annual revenue. Lowe discusses the values that drive Brin and Page—for example, how they both live fairly modest lives, despite each having a net worth in excess of \$15.9 billion—and details how they have created a culture that fosters fun while, at the same time, keeping Google at the forefront of technology through relentless R&D investments and imaginative partnerships with organizations such as NASA. In addition to examining Google's breakthrough business strategies and new business models—which have transformed online advertising and changed the way we look at corporate responsibility and employee relations—Lowe explains why Google may be a harbinger of where corporate America is headed. She also addresses controversies surrounding Google, such as copyright infringement, antitrust concerns, and personal privacy and poses the question almost every successful company must face: as Google grows, can it hold on to its entrepreneurial spirit as well as its informal motto, "Don't do evil"? What started out as a university research project conducted by Sergey Brin and Larry Page has ended up revolutionizing the world we live in. Google Speaks puts these incredible entrepreneurs in perspective and shows you how their drive and determination have allowed them to create one of today's most powerful companies. Osez vraiment réussir ! Carol S. Dweck 2021-04-08 Cet ouvrage éclairant vous aidera à changer votre manière de penser afin d'arriver à atteindre vos objectifs. Pourquoi certains atteignent-ils la réussite en un éclair, alors que d'autres n'y parviennent jamais ? Selon Carol S. Dweck, c'est une question d'état d'esprit ! Dans son best-seller, elle livre un regard inédit sur l'impact décisif de notre manière de penser. Qui n'a jamais rêvé d'un guide pratique pour réussir dans la vie ? Dans cet ouvrage révolutionnaire, Carol Dweck propose de faire de ce rêve une réalité. Selon l'auteure, réussir n'implique pas de changer le monde, mais de changer sa mentalité : au lieu de rester éternellement braqué sur ses échecs, il faut les transformer en étapes d'apprentissage et de développement. Dans ce guide

pratique, elle accompagne pas à pas le lecteur et lui explique comment modifier sa perspective et sa manière de vivre... pour qu'il puisse enfin construire de façon durable et solide sa vraie réussite, dans toutes les facettes de son existence ! Un best-seller toujours aussi révolutionnaire qui présente la marche à suivre pour vraiment réussir, et ce dans tous les aspects de la vie ! On the court and off the court, Michael has entertained the world as a pitcher, movie star, spokesperson, and an extraordinary athlete—although not the greatest baseball player. For the first time ever, bestselling author Janet Lowe has compiled a portrait from Michael's own words. Michael Jordan Speaks touches upon everything about the sport, his mega-superstar status, and his life, culled from articles, newscasts, and interviews.
