Database Concepts David M. Kroenke 2008 Written by one of the world's leading database authorities, Database Concepts 3e, introduces the essential concepts students need to create and use small databases. Appropriate for all introductory courses or brief courses on database development and management, as well as database courses designed around specific database products such as Microsoft Access, SQL Server, or MySQL.

Fahrenheit 451 Ray Bradbury 1951 A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

Old Curiosity Shop Charles Dickens 1868

Sophie's World Jostein Gaarder 2007-03-20 One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

His Bloody Project Graeme Macrae Burnet 2016-08-29 Shortlisted for the 2016 Man Booker Prize The year is 1869. After a brutal triple murder in a remote community in the Scottish Highlands, a young man by the name of Roderick Macrae is arrested for the crime. A memoir written by the accused makes it clear that he is guilty, but the police and the courts must decide what drove him to murder the local village constable. And why did he kill his other two victims? Was he insane? Or was this the act of a man in possession of his senses? Only the persuasive powers of his advocate stand between the killer and the gallows at Inverness. In this compelling and original novel, using the words of the accused, personal testimony, transcripts from the trial and newspaper reports, Graeme Macrae Burnet tells a moving story about the provisional nature of the truth, even when the facts are plain. His Bloody Project is a mesmerising literary thriller set in an unforgiving landscape where the rules can change but justice is absolute. Graeme Macrae Burnet was born and brought up in Kilmarnock and now lives in Glasgow, Scotland. In between, he lived in Prague, Bordeaux, Porto and London. His debut novel, The Disappearance of Adèle Bedeau, is a psychological crime thriller set in the small town of Saint-Louis on the French-Swiss border. His second book, His Bloody Project, which deals with a triple murder in a crofting village in the Scottish Highlands, has been shortlisted for the 2016 Man Booker Prize. 'A real box of tricks...a truly ingenious thriller.' Jake Kerridge, Express 'A gripping crime story, a deeply imagined historical novel, and gloriously written all in one tour-de-force of a book.' Herald, Book of the Year 'Maddeningly brilliant...An intriguing narrative that plays with notions of truth, justice and the historical record.' Hannah Kent, Best Books of 2016, Australian 'Accounts, witness reports, and a trial, all set down as in an authentic case, gradually reveal a truth that is chilling yet inevitable.' Jane Sullivan, Australian Book Review, Books of the Year 2016 'I also adored Graeme Macrae Burnet's maddeningly brilliant His Bloody Project, and found myself utterly absorbed in the 1869 case of Roderick Macrae, accused of murder in a Scottish highland community...A cunning and unreliable tale that still bloody nags at me.' Hannah Kent, The Books We Loved 2016, Sydney Morning Herald 'A dark, unforgettable picture of the crofter's life in 19th-century Scotland.' James Button, The Books We Loved 2016, Sydney Morning Herald 'This is ultimately the book's great strength—its unwillingness to offer a definitive explanation for its protagonist's shocking deeds. After hinting at possible motives and offering a basis for a countervailing case of insanity, the book finally gestures towards the impossibility of knowing the forces at play in another person's mind.' Law Institute Journal 'Transporting and deliciously frustrating—I loved the way Burnet played with notions of doubt, criminality and justice.' Hannah Kent, 2016 Staff Picks, Kill Your Darlings 'A retelling of a gory triple murder that'll indulge your true crime craving.' Elle 'A remote crofting village in nineteenth-century Scotland, and a shocking and seemingly inexplicable act of murder by a teenage villager. Accounts, witness reports, and a trial, all set down as in an authentic case, gradually reveal a truth that is chilling yet inevitable: the power of a feudal system that supports petty tyrants, stereotypes its criminals, and grinds down its victims.' Jane Sullivan, Best Books of 2016, Australian Book Review 'A powerful novel...keeps the reader guessing to the end as it examines the legal process as it relates to the class divide of the time.' Otago Daily Times 'In exploring the duality of good and evil, Burnet is tapping into a rich seam of Scottish literature, from James Hogg's The Private Memoirs and Confessions of a Justified Sinner, to Stevenson's The Strange Case of Dr Jekyll and Mr Hyde...His Bloody Project also illustrates what fans know about crime writing: it's a great way to explore the depths of a society: the tensions that animate it, the structures and hierarchies that underpin it.' Database Processing David M. Kroenke 1983 A high price call girl whose sordid life revolves around the dark, frightening jungle of Manhattan is being stalked by dangerous psychopath, with only a detective to save her.

The Journalist and the Murderer Janet Malcolm 2011-06-22 A seminal work and examination of the psychopathology of journalism. Using a strange and unprecedented lawsuit as her larger-than-life example -- the lawsuit of Jeffrey MacDonald, a convicted murderer, against Joe McGinniss, the author of Fatal Vision, a book about the crime -- she delves into the always uneasy, sometimes tragic relationship that exists between journalist and subject. In Malcolm's view, neither journalist nor subject can avoid the moral impasse that is built into the journalistic situation. When the text first appeared, as a two-part article in The New Yorker, its thesis seemed so radical and its irony so pitiless that journalists across the country reacted as if stung. Her book is a work of journalism as well as an essay on journalism: it at once exemplifies and dissects its subject. In her interviews with the leading and subsidiary characters in the MacDonald-McGinniss case -- the principals, their lawyers, the members of the jury, and the various persons who testified as expert witnesses at the trial -- Malcolm is always aware of herself as a player in a game that, as she points out, she cannot lose. The journalist-subject encounter has always troubled journalists, but never before has it been looked at so unflinchingly and so ruefully. Hovering over the narrative -- and always on the edge of the reader's consciousness -- is the MacDonald murder case itself, which imparts to the book an atmosphere of anxiety and uncanniness. The Journalist and the Murderer derives from and reflects many of the dominant intellectual concerns of our time, and it will have a particular appeal for those who cherish the odd, the off-center, and the unsolved.

Incidents in the Life of a Slave Girl (EasyRead Super Large 20pt Edition) Harriet A. Jacobs 2008-11-05 Books for All Kinds of Readers Read HowYouWant offers the widest selection of on-demand, accessible format editions on the market today. The Ladies' Book of Etiquette, and Manual of Politeness Florence Hartley 1876

Alice in Wonderland Lewis Carroll 2009-01-01 Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

The London Journal: and Weekly Record of Literature, Science, and Art 1860

New York Magazine 1979-02-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Water Security and Sustainability Chandrashekhar Bhuiyan 2021-02-22 This book contains selected peer-reviewed papers presented in the International Conference Down To Earth 2019, and is focused on Water Security and Sustainability. The topics covered in this book include sustainability of water resources, geospatial modelling and hydro-informatics, extreme hydrology (drought and flood), adaptation to climate-change impacts, vulnerability-risk-reliability-resilience, and hydrological risks in north-east India. The book also discusses innovative techniques and technologies for water resources assessment and management. Enriched with numerous case studies covering diverse topics, the book can be valuable for students, researchers, as well as industry professionals interested in water resources assessment, management and sustainable development.

The Glass Castle Jeannette Walls 2006-01-02 Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Pre-Incident Indicators of Terrorist Incidents Brent L. Smith 2011-01 This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

Cat High Terry deroy Gruber 2015-03-03 This hilarious parody yearbook explores the ups and downs of a year in the life of the senior class cats at Paw Paw High School. This active senior class did a lot in their last year of high school: The Glee Club Meowlers recorded their first album, "Songs to Lick Fur To," the drama club performed Cat on a Hot Tin Roof, the Ratters football coach, Fred Ball Whiskers, retired, and Sophie McMeow was voted "Most Chased." Filled with cat class photos, candid shots, and handwritten notes to the yearbook's owner, Nelson "Gill" Fish, Cat High revives the classic parody yearbook in all its black-and-white, feline-filled glory.

From Animal House to Our House Ron Tanner 2014-10-01 Ten years ago, Ron and his then-girlfriend, Jill, did the impossible. They bought condemned property—a big Baltimore Victorian brownstone and vowed to bring it back to its original glory. The house had been home to Baltimore's most notorious fraternity for a decade and now, wrecked and abandoned, it was filled with garbage. As if that weren't daunting enough: Ron and Jill had been dating for only six months and they knew nothing about fixing up old houses. Friends, family, and concerned onlookers told them not to do it they would surely lose their shirts and their love in the bargain. But Jill wanted the house and Ron wanted Jill. So Ron bought the house.

Pirate Women Laura Sook Duncombe 2017-04-01 In the first-ever Seven Seas history of the world's female buccaneers, Pirate Women: The Princesses, Prostitutes, and Privateers Who Ruled the Seven Seas tells the story of women, both real and legendary, who through the ages sailed alongside—and sometimes in command of—their male counterparts. These women came from all walks of life but had one thing in common: a desire for freedom. History has largely ignored these female swashbucklers, until now. Here are their stories, from ancient Norse princess Alfhild and warrior Rusla to Sayyida al-Hurra of the Barbary corsairs; from Grace O'Malley, who terrorized shipping operations around the British Isles during the reign of Queen Elizabeth I; to Cheng I Sao, who commanded a fleet of four hundred ships off China in the early nineteenth century. Author Laura Sook Duncombe also looks beyond the stories to the storytellers and mythmakers. What biases and agendas motivated them? What did they leave out? Pirate Women explores why and how these stories are told and passed down, and how history changes depending on who is recording it. It's the most comprehensive overview of women pirates in one volume and chock-full of swashbuckling adventures that pull these unique women from the shadows into the spotlight that they deserve.

The Encyclopedia of Fantastic Film R. G. Young 2000 Thirty-five years in the making, and destined to be the last word in fanta-film references! The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

The Man Who Would Be Queen J. Michael Bailey 2003-03-10 Gay. Straight. Or lying. It's™ as simple and straightforward as black or white, right? Or is there a gray area, where the definitions of sex and gender become blurred or entirely refocused with the deft and practiced use of a surgeon's knife? For some, the concept of gender "the very idea we have of ourselves as either male or female beings " is neither simple nor straightforward. Written by cutting-edge researcher and sex expert J. Michael Bailey, The Man Who Would Be Queen is a

frankly controversial, intensely poignant, and boldly forthright book about sex and gender. Based on his original research, Bailey's book is grounded firmly in science. But as he demonstrates, science doesn't always deliver predictable or even comfortable answers. Indeed, much of what he has to say will be sure to generate as many questions as it does answers. Are gay men genuinely more feminine than other men? And do they really prefer to be hairdressers rather than lumberjacks? Are all male transsexuals women trapped in men's bodies or are some of them men who are just plain turned on by the idea of becoming a woman? And how much of a role do biology and genetics play in sexual orientation? But while Bailey's science is provocative, it is the portraits of the boys and men who struggle with these questions and often with anger, fear, and hurt feelings that will move you. You will meet Danny, an eight-year old boy whose favorite game is playing house and who yearns to dress up as a princess for Halloween. And Martin, an expert makeup artist who was plagued by inner turmoil as a youth but is now openly homosexual and has had many men as sex partners. And Kim, a strikingly sexy transsexual who still has a penis and works as a dancer and a call girl for men who like she-males while she awaits sex reassignment surgery. These and other stories make it clear that there are men and men who become women who want only to understand themselves and the society that makes them feel like outsiders. That there are parents, friends, and families that seek answers to confusing and complicated questions. And that there are researchers who hope one day to grasp the very nature of human sexuality. As the striking cover image a distinctly muscular and obviously male pair of legs posed in a pair of low-heeled pumps makes clear, the concept of gender, the very idea we have of ourselves as either male or female beings, is neither simple nor straightforward for some.

VideoHound's Golden Movie Retriever 1996 VideoHound Editors 1995-09 USA Today gave it a 4-star rating, the Houston Chronicle called it "by far the best" and the New York Times says the "Hound takes the lead in a blaze of supplemental lists". Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Barnaby Rudge Charles Dickens 1866

The Bariatric Bible CAROL. BOWEN BALL 2019-04-30 This comprehensive guide offers advice on the types of surgery on offer and highlights the many diets that are required prior to surgery.

Its main focus is on advice and recipes for after surgery to help the post-op patient maximise their best chance of long-term success with weight-loss and better health.

The Old Furniture Book N. Hudson Moore 2020-08-15 Reproduction of the original: The Old Furniture Book by N. Hudson Moore

The Encyclopaedia Britannica 1911

These Precious Days Ann Patchett 2021-11-23 The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. "The elegance of Patchett's prose is seductive and inviting: with Patchett as a guide, readers will really get to grips with the power of struggles, failures, and triumphs alike." —Publisher's Weekly "Any story that starts will also end." As a writer, Ann Patchett knows what the outcome of her fiction will be. Life, however, often takes turns we do not see coming. Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of *These Precious Days* is the title essay, a surprising and moving meditation on an unexpected friendship that explores "what it means to be seen, to find someone with whom you can be your best and most complete self." When Patchett chose an early galley of actor and producer Tom Hanks' short story collection to read one night before bed, she had no idea that this single choice would be life changing. It would introduce her to a remarkable woman—Tom's brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her experiences to create gold: engaging and moving pieces that are both self-portrait and landscape, each vibrant with emotion and rich in insight. Turning her writer's eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo's children's books (author of *The Beatryce Prophecy*) to youthful memories of Paris; the cherished life gifts given by her three fathers to the unexpected influence of Charles Schultz's Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author's grace, wit, and warmth, the pieces in *These Precious Days* resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most celebrated writers of our time.
