**Crier's War** Nina Varela 2019-10-01 From debut author Nina Varela comes the first book in a richly imagined epic fantasy duology about an impossible love between two girls—one human, one Made—whose romance could be the beginning of a revolution. Perfect for fans of Marie Rutkoski's *The Winner's Curse* as well as *Game of Thrones* and *Westworld*. After the War of Kinds ravaged the kingdom of Rabu, the Automae, designed to be the playthings of royals, usurped their owners' estates and bent the human race to their will. Now Ayla, a human servant rising in the ranks at the House of the Sovereign, dreams of avenging her family's death...by killing the sovereign's daughter, Lady Crier. Crier was Made to be beautiful, flawless, and to carry on her father's legacy. But that was before her betrothal to the enigmatic Scyre Kinok, before she discovered her father isn't the benevolent king she once admired, and most importantly, before she met Ayla. Now, with growing human unrest across the land, pressures from a foreign queen, and an evil new leader on the rise, Crier and Ayla find there may be only one path to love: war.

**Eruption in the Canyon** Andrew Bennett 2021-09-07 A revelatory, fly-on-the-wall collection of photographs and stories documenting Eddie Van Halen at work in his famed but seldom seen 5150 studio, from the 2004 reunion with Sammy Hagar through the 2007 reunion with David Lee Roth. "When kids ask me how it feels to be a rock star, I say, 'I'm not a rock star. I'm not in it for the fame, I'm in it because I like to play.'" Eddie Van Halen A fortuitous call from a stranger in the middle of the night led to a once-in-a-lifetime assignment. The stranger was Eddie Van Halen. The assignment, as Eddie related it, was to "capture the truth. Show people how hard I work, because that's the truth." Having no idea where this would lead or in what form it might be shared, Andrew Bennett spent portions of the next two years relentlessly documenting everything that occurred inside Eddie's sanctuary: from rehearsals, recording sessions, and revealing conversations, to vicious arguments, a brotherly brawl, and a wild heist attempt in the middle of the night. Bennett memorialized every square foot of that sacred space, every piece of equipment, and every guitar—including Eddie's beloved Frankenstrat. Featuring more than two hundred photographs, and accompanied by intimate reflections on

what the author witnessed, *Eruption in the Canyon* presents an incomparable portrait of one of the most revered artists in history.

The Wilding of America Charles Derber 2006-05-17 The American dream champions individualism. But at what price? In this [book, the author] chronicles the latest incidents of "wilding"--Extreme acts of self-interested violence and greed - that seem to signal an eroding of the moral landscape of American society. [The author] argues that ever-increasing individualism breeds an antisocial mentality with dangerous economic and social consequences - yet he offers a communitarian alternative that is as inspiring as it is instructive. Recent wilding events, such as the social aftermath of Hurricane Katrina, the war in Iraq, and recent government scandals, are highlighted in [this book].-Back cover.

Deco Punk: The Spirit of the Age Thomas a. Easton 2015-06-01 Are you ready for the next wave of

Steampunk? Then it's time for something that captures the spirit of the twentieth and twenty-first centuries, an era of ebullient progress in the arts, literature, science, and technology. Call it Deco Punk, and let's rock with the bootleg Twenties and roll with the grim Thirties. It was a time of heady optimism, and-fittingly-the era when modern science fiction was born.

Crime & Politics Ted Gest 2003-08-07 Why has America experienced an explosion in crime rates since 1960? Why has the crime rate dropped in recent years? Though politicians are always ready both to take the credit for crime reduction and to exploit grisly headlines for short-term political gain, these questions remain among the most important-and most difficult to answer-in America today. In *Crime & Politics*, award-winning journalist Ted Gest gives readers the inside story of how crime policy is formulated inside the Washington beltway and state capitols, why we've had cycle after cycle of ineffective federal legislation, and where promising reforms might lead us in the future. Gest examines how politicians first made crime a national rather than a local issue, beginning with Lyndon Johnson's crime commission and the landmark anti-crime law of 1968 and continuing right up to such present-day measures as "three strikes" laws, mandatory sentencing, and community policing. Gest exposes a lack of consistent leadership, backroom partisan politics, and the rush to embrace simplistic solutions as the main causes for why Federal and state crime programs have failed to make our streets safe. But he also explores how the media aid and abet this trend by featuring lurid crimes that simultaneously frighten the public and encourage candidates to offer another round of quick-fix solutions. Drawing on extensive research and including interviews with Edwin Meese, Janet Reno, Joseph Biden, Ted Kennedy, and William Webster, *Crime & Politics* uncovers the real reasons why America continues to struggle with the crime problem and shows how we do a better job in the future.

**Variable Onset** Layla Reyne 2020-05-04 To catch a killer, a special agent and his former student will need to get close—to their target, and each other. Layla Reyne returns with a stand-alone romantic mystery. When the serial killer known as Dr. Fear seemingly reemerges after a cooling-off period, Special Agent Lincoln Monroe wants on the case. He knows his research on the calculating criminal, who targets couples and uses their worst fears to kill them, could prove invaluable. But nothing can prepare Lincoln for the agent waiting for him in Apex, Virginia: a brash and cocky former student. Carter Warren is everything Lincoln is not, and somehow everything he wants. And they'll be going undercover. As newlyweds. For Carter, seeing Lincoln again—and flustered to boot—pokes his raging bear of a crush something fierce. He thinks posing as lovers will provide the perfect bait for Dr. Fear. But pretending to be married forces them to confront fears of their own...like giving in to the very real chemistry between them. With evidence pointing to the possibility of a copycat killer, Lincoln and Carter will have to race to separate truth from fiction. But when another couple goes missing, finding the killer will test every ounce of their training, skills and the strength of their bond like never before.

*How Good People Make Tough Choices Rev Ed* Rushworth M. Kidder 2009-11-24 Should you take a much-needed vacation or save money for the kids' education? Protect the endangered owl or maintain jobs for loggers? Have a heart-to-heart with a lying employee or fire him on the spot? All of us face ethical choices. Sometimes they're easy: One side is wrong and the other is right. But how do we handle the really tough "right vs. right" dilemmas, where each side has strong moral arguments and we can't do both? This book helps us build Ethical Fitness®—a values-based decision-making process so definitive that it's now a registered trade mark. Rushworth M. Kidder, founder of the Institute for Global Ethics, teaches us how to think

for ourselves in order to resolve ethical dilemmas ranging from the intimately personal to the broadly philosophical. Unique in its approach and rich with illustrative anecdotes—updated with examples of real-world conflicts from today's political realm and from Dr. Kidder's own observations—*How Good People Make Tough Choices* is an indispensable resource for spotting, understanding, and resolving our toughest decisions.

**Things Fall Apart** Chinua Achebe 2013-04-25 Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*.

**On Humane Governance** Richard A. Falk 1995 This book contends that the forces of late modernism are being caught between a capital-driven globalization and a territorially rooted revival of tribalism and ultra-nationalism. Its critical focus is on global structures that are producing new patterns of North/South and

rich/poor domination, as well as exerting dangerous pressures on the carrying capacities of the planet.

Richard Falk argues that any hopeful response to these threatening developments requires the fundamental revision of such basic ideas as sovereignty, democracy, and security. These organizing conceptions of political life are being reshaped during this era of transition from a state-centric world of geopolitics to a more centrally guided world of geogovernance. He contends that geogovernance will have adverse consequences for the human condition unless it can be mainly constructed by transnational democratic forces animated by a vision of humane governance. This volume was written for the Global Civilization Project of the World Order Models Project (WOMP), an international group of scholars formed to think creatively about legal and political structures adequate to the needs of the modern world.

**Taking Sides** John T. Rourke 2006 A debate-style reader provides an introduction to controversial issues in world politics, followed by arguments presenting opposing viewpoints on the topic.

**The Founding Fathers** R. B. Bernstein 2015-11-26 The Founding Fathers is a concise, accessible overview of the brilliant, flawed, and quarrelsome group of lawyers, politicians, merchants, military men, and clergy known as "the Founding Fathers"--who got as close to the ideal of the Platonic "philosopher-kings" as American or world history has ever seen. R. B. Bernstein reveals Washington, Franklin, Jefferson, Adams, Hamilton, and the other founders not as shining demigods but as imperfect human beings--people much like us--who nevertheless achieved political greatness. They emerge here as men who sought to transcend their intellectual world even as they were bound by its limits, men who strove to lead the new nation even as they had to defer to the great body of the people and learn with them the possibilities and limitations of politics. Bernstein deftly traces the dynamic forces that molded these men and their contemporaries as British colonists in North America and as intellectual citizens of the Atlantic civilization's Age of Enlightenment. He analyzes the American Revolution, the framing and adoption of state and federal constitutions, and the key concepts and problems that both shaped and circumscribed the founders' achievements as the United States sought its place in the world. Finally, he charts the shifting reputations of the founders and examines the specific ways that interpreters of the Constitution have used the Founding Fathers. A masterly blend of old and new scholarship, brimming with apt description and insightful analysis, this book offers a digestible account of how the Founding Fathers were formed, what they did, and how generations of Americans have viewed them. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. *The Blood Spilt* Asa Larsson 2007-01-30 It's midsummer in Sweden—when the light lingers through dawn and a long, isolating winter finally comes to an end. In this magical time, a brutal killer has chosen to strike. A female priest—who made enemies and acolytes in equal number—has been found hanging in her church. And a big-city lawyer quite acquainted with death enters the scene as police and parishioners try to pick up the pieces.... Not long ago, attorney Rebecka Martinsson had to kill three men in order to stop an eerily similar murder spree—one that also involved a priest. Now she is back in Kiruna, the region of her birth, while a determined policewoman gnaws on the case and people who loved or loathed the victim mourn or revel in her demise. The further Rebecka is drawn into the mystery—a mystery that will soon take another victim—the more the dead woman's world clutches her: a world of hurt and healing, sin and sexuality, and, above all, of sacrifice. In prose that is both lyrical and visceral, Åsa Larsson has crafted a novel of pure entertainment, a taut, atmospheric mystery that will hold you in thrall until the last, unforgettable page is turned
