Valiant Ambition Nathaniel Philbrick 2017-05-09 A New York Times Bestseller Winner of the George Washington Prize A surprising account of the middle years of the American Revolution and the tragic relationship between George Washington and Benedict Arnold, from the New York Times bestselling author of In The Heart of the Sea, Mayflower, and In the Hurricane's Eye. "May be one of the greatest what-if books of the age—a volume that turns one of America’s best-known narratives on its head.”—Boston Globe "Clear and insightful, [Valiant Ambition] consolidates Philbrick’s reputation as one of America’s foremost practitioners of narrative nonfiction.”—Wall Street Journal

In the second book of his acclaimed American Revolution series, Nathaniel Philbrick turns to the tragic relationship between George Washington and Benedict Arnold. In September 1776, the vulnerable Continental army under an unsure George Washington evacuated New York after a devastating defeat by the British army. Three weeks later, one of his favorite generals, Benedict Arnold, miraculously succeeded in postponing the British naval advance down Lake Champlain that might have lost the war. As this book ends, four years later Washington has vanquished his demons, and Arnold has fled to the enemy. America was forced at last to realize that the real threat to its liberties might not come from without but from withinComplex, controversial, and dramatic, Valiant Ambition is a portrait of a people in crisis and the war that gave birth to a nation.

Fairyland Paul McAuley 2010-12-30 The 21st century. Europe is divided between the First World bourgeoisie, made rich by nanotechnology and the cheap versatile slave labour of genetically engineered Dolls and the Fourth World of refugees and homeless displaced by war and economic upheaval. In London, Alex Sharkey is trying to make his mark as a designer of psychoactive viruses, whilst staying one step ahead of the police and the Triad gangs. At the cost of three hours of his life, he finds an unlikely ally in a scary, super-smart little girl called Milena, but his troubles really start when he helps Milena quicken intelligence in a Doll, turning it into the first of the fairies. Milena isn't sure if she's mad or if she's the only sane person left in the world; she only knows that she wants to escape to her own private Fairyland and live forever. Although Milena has created the fairies for her own ends, some of the Folk, as fey and dangerous as any in legend, have other ideas about her destiny ...

The Lost Fleet: Fearless 2007

Boundless Jack Campbell 2021-06-15 Admiral John "Black Jack" Geary may have saved the Alliance only to destroy it, in this thrilling and eagerly awaited continuation of the New York Times bestselling series. Geary believed in the Alliance. Even when he uncovered overwhelming evidence that the highest echelons of the government and fleet command were involved in secret programs and prison camps, he believed it was worth saving. And that his duty was to see that justice was served even though some factions feared that revealing the truth would cause the Alliance to crumble. But after narrowly surviving two assassination attempts when he brings evidence of the misdeeds to the capital star system, Geary realizes that some have decided the easiest way to make the Alliance's problems go away is to get rid of him. He finds himself ordered to undertake a perilous new mission outside of the reaches of human-occupied space while the Senate clashes over the evidence. Geary’s warships must escort a diplomatic and scientific mission across the dangerous, disintegrating remnants of the Syndicate Worlds empire. But even if he can make it to Midway Star System, the gateway to alien-controlled space, Geary will face former Syndicate officials who have rebelled and regard the Alliance with deep suspicion. And that will be the easy part. . . .

Beyond the Frontier Jack Campbell 2012 Awakened from a cryogenic sleep to win the century-long conflict between the Alliance and the Syndicate Worlds, Captain John "Black Jack" Geary discovers that his loyalty is being questioned and suspects that he is being deliberately sent on a suicide mission.

The Lost Fleet: Dauntless 2006 Returning from survival hibernation and assuming the command of the Alliance fleet, legendary hero Captain John "Black Jack" Geary must retrieve the stolen Syndic hypernet key to save the Alliance from destruction at the hands of the Syndics. Original.

Lost Fleet: Beyond the Frontier: Invincible Jack Campbell 2012-05-01 Admiral John “Black Jack” Geary was revived from cryogenic sleep to lead the Alliance against the Syndicate Worlds. But his superiors question his loyalty to the regime. Now in command of the First Fleet, he is tasked with exploring the frontier beyond Syndic space, a mission he fears deliberately puts the fleet—and himself—in harm’s way... An encounter with the alien enigmas confirms Geary’s fears. Attacked without warning, he orders the fleet to jump star systems—only to enter the crosshairs of another hostile alien armada. Ignoring the First Fleet’s peaceful communications, this species sends its ships into battle while it guards the exiting jump point with a fortress of incalculable power. Now Geary must find a way to reach the jump point without massive casualties—even though the enigmas could be waiting on the other side...

Close Quarters Larry Heinemann 2010-03-31 From the moment his first novel was published, Larry Heinemann joined the ranks of the great chroniclers of the Vietnam conflict—Philip Caputo, Tim O’Brien, and Gustav Hasford.In the stripped-down, unsullied patois of an ordinary soldier, draftee Philip Dosier tells the story of his war. Straight from high school, too young to vote or buy himself a drink, he enters a world of mud and heat, blood and body counts, ambushes and firefights. It is here that he embarks on the brutal downward path to wisdom that awaits every soldier. In the tradition of Naked and the Dead and The Thin Red Line, Close Quarters is the harrowing story of how a decent kid from Chicago endures an extraordinary trial-- and returns profoundly altered to a world on the threshold of change.

The Lost Fleet: Victorious 2010 When he leads his fleet back into Syndic space to convince the Syndics, who have suffered tremendous losses, to surrender, Captain Jon "Black Jack" Geary is confronted by an even greater alien threat. Original.

By Schism Rent Asunder David Weber 2008-07-22 The sequel to the New York Times best seller Off Armageddon Reef The world has changed. The mercantile kingdom of Charis has prevailed over the alliance designed to exterminate it. Armed with better sailing vessels, better guns and better devices of all sorts, Charis faced the combined navies of the rest of the world at Darcos Sound and Armageddon Reef, and broke them. Despite the implacable hostility of the Church of God Awaiting, Charis still stands, still free, still tolerant, still an island of innovation in a world in which the Church has worked for centuries to keep humanity locked at a medieval level of existence. But the powerful men who run the Church aren't going to take their defeat lying down. Charis may control the world's seas, but it barely has an army worthy of the name. And as King Cayleb knows, far too much of the kingdom's recent good fortune is due to the secret manipulations of the being that calls himself Merlin-a being that, the world must not find out too soon, is more than human. A being on whose shoulders rests the last chance for humanity's freedom. Now, as Charis and its archbishop make the rift with Mother Church explicit, the storm gathers. Schism has come to the world of Safehold. Nothing will ever be the same...

The Lost Fleet: Beyond the Frontier: Dreadnaught Jack Campbell 2011-04-26 View our feature on Jack Campbell's The Lost Fleet: Beyond the Frontier: Dreadnaught. The New York Times bestselling series that delivers "edge-of-your-seat combat" (Elizabeth Moon, author of the Vatta's War series). The Alliance woke Captain John "Black Jack" Geary from cryogenic sleep to take command of the fleet in the century-long conflict against the Syndicate Worlds. Now Fleet Admiral Geary's victory has earned him the adoration of the people-and the enmity of politicians convinced that a living hero can be a very inconvenient thing. Geary knows that members of the military high command and the government question his loyalty to the Alliance and fear his staging a coup-so he can't help but wonder if the newly christened First Fleet is being deliberately sent to the far side of space on a suicide mission.

Noor Nnedi Okorafor 2021-11-16 From Africanfuturist luminary Okorafor comes a new science fiction novel of intense action and thoughtful rumination on biotechnology, destiny, and humanity in a near-future Nigeria. Anwuli Okwudili prefers to be called AO. To her, these initials have always stood for Artificial Organism. AO has never really felt...natural, and that's putting it lightly. Her parents spent most of the days before she was born praying for her peaceful passing because even in-utero she was "wrong". But she lived. Then came the car accident years later that disabled her even further. Yet instead of viewing her strange body the way the world views it, as freakish, unnatural, even the work of the devil, AO embraces all that she is: A woman with a ton of major and necessary body augmentations. And then one day she goes to her local market and everything goes wrong. Once on the run, she meets a Fulani herdsman named DNA and the race against time across the deserts of Northern Nigeria begins. In a world where all things are streamed, everyone is watching the "reckoning of the murderess and the terrorist" and the "saga of the wicked woman and mad man" unfold. This fast-paced, relentless journey of tribe, destiny, body, and the wonderland of technology revels in the fact that the future sometimes isn't so predictable. Expect the unaccepted.

Blueshift Joshua Dalzelle 2019-07-20 If you could be the first to lay eyes upon a planet orbiting a distant star, would you go? If it meant that when you returned home—if you returned home-everyone you knew would have been dead for centuries, would you still go? The members of the Polaris Project knew what they were giving up when they volunteered to fly to the star named Angel-21, but the allure of being the first explorers to leave the Solar System far outweighed the risks. As it turned out, the most dangerous thing they faced wasn’t the mission ... it was the homecoming. Eight hundred years have passed and Earth is nothing like they thought it would be.As Commander Markus Brentwood scrambles to uncover the mystery of what's happened to Earth in their absence, he also must contend with an increasingly dysfunctional crew and a damaged ship that's flying on borrowed time. What should have been a joyous return home after a long, hard mission has turned into a race to see which nightmare would kill them first.Blueshift is an all new sci-fi adventure from Joshua Dalzelle, author of the bestselling Omega Force Series and Black Fleet Saga.

The Lost Fleet Jack Campbell 2011 Determined not to leave any of his people behind, Captain 'Black Jack' Geary orders the fleet to strike hard and fast to free the POWs held in a heavily guarded Syndic camp.
The Lost Fleet: Beyond the Frontier: Guardian Jack Campbell 2013-05-07 Admiral Geary’s First Fleet of the Alliance has survived the journey deep into unexplored interstellar space, a voyage that led to the discovery of new alien species, including a new enemy and a possible ally. Now Geary’s mission is to ensure the safety of the Midway Star System, which has revolted against the Syndicate Worlds empire—an empire that is on the brink of collapse. To complicate matters further, Geary also needs to return safely to Alliance space not only with representatives of the Dancers, an alien species, but also with Invincible, a captured warship that could possibly be the most valuable object in human history. Despite the peace treaty that Geary must adhere to at all costs, the Syndicate Worlds regime threatens to make the fleet's journey back grueling and perilous. And even if Geary escorts Invincible and the Dancers’ representatives home unharmed, the Syndics’ attempts to spread dissent and political unrest may have already sown the seeds of the Alliance’s destruction...

Ascendant Jack Campbell 2019-04-02 A young fleet officer and a Marine stand together to defend their colony in the continuation of the powerful and action-packed Genesis Fleet saga from New York Times bestselling author Jack Campbell. In the three years since former fleet officer Rob Geary and former Marine Mele Darcy led improvised forces to repel attacks on the newly settled world of Glenlyon, tensions have only gotten worse. When one of Glenlyon's warships is blown apart trying to break the blockade that has isolated the world from the rest of human-colonized space, only the destroyer Saber remains to defend it from another attack. Geary's decision to take Saber to the nearby star Kosatka to safeguard a diplomatic mission is a risky interpretation of his orders, to say the least. Kosatka has been fighting a growing threat from so-called rebels—who are actually soldiers from aggressive colonies. When a "peacekeeping force" carrying thousands of enemy soldiers arrives in Kosatka's star system, the people of that world, including Lochan Nakamura and former "Red" Carmen Ochoa, face an apparently hopeless battle to retain their freedom. It's said that the best defense is a good offense. But even if a bold and risky move succeeds, Geary and Darcy may not survive it...

The Lost Fleet: Relentless Jack Campbell 2009-04-28 Captain John “Black Jack” Geary races to save a group of Alliance POWs from certain death in this gripping novel in New York Times bestselling author Jack Campbell's Lost Fleet series. Alliance prisoners of war are being held at a labor camp in the Heradao star system, which also happens to be the location of the majority of the surviving Syndic warships. Determined not to leave any of his people behind, “Black Jack” Geary orders the fleet to strike hard and fast to rescue the POWs with minimal Alliance losses. The raid is successful, but victory is short-lived. Geary discovers that the Syndics plan to ambush the fleet with their powerful reserve flotilla in an attempt to annihilate it once and for all—but he doesn’t know where the enemy is located. And as Geary has the fleet jump from one star system to the next, hoping to avoid the inevitable confrontation, saboteurs contribute to the chaos...

The Lost Fleet: Valiant 2008 CAMPBELL/LOST FLEET VALIANT

Tarnished Knight Jack Campbell 2013 After being betrayed by the Syndicate, Artur Drakon and Gwen Icení stage a coup for control of Midway in the first novel in a spin-off of the New York Times best-selling Lost Fleet series. 75,000 first printing.

Vanguard Jack Campbell (Naval officer) 2017 Jack Campbell returns to the world of the New York Times bestselling Lost Fleet novels with a new action-packed military science fiction series that explores the founding of the Alliance . . . and the men and women who fought to create it. Earth is no longer the center of the universe. After the invention of the faster-than-light jump drive, humanity is rapidly establishing new colonies. But the vast distances of space mean that the old order of protection and interstellar law offered by Earth has ceased to exist. When a nearby world attacks, the new colony of Glenlyon turns to Robert Geary, a young former junior fleet officer, and Mele Darcy, a onetime enlisted Marine. With nothing but improvised weapons and a few volunteers, Geary and Darcy must face down warships and armored soldiers—or die trying. As battles rage and pirates take an increasing toll throughout the colonies, the only hope for lasting peace lies with Carmen Ochoa, a “Red” from the anarchic world of Mars, and Lochan Nakamura, a failed politician. They have a plan: to lay the groundwork for mutual defense that could someday grow into an alliance. But if their efforts don't succeed, the growing power of aggressor worlds could turn regions of space founded on freedom into battlefields between the first interstellar empires...

The Lost Fleet: Corsair #1 Jack Campbell 2017-06-07 p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} Jack Campbell, the author behind the Lost Fleet novels, is now bringing his best-selling sci-fi series to comics. The Lost Fleet: Corsair features all the engaging character elements that have helped make the Lost Fleet novels such an incredible success – but this time, the series’ epic space battles are brought to stunning life thanks to incredible visuals from Andrew Siregar (Sevara), complimented by color work by Sebastian Cheng (Orphan Black, The X-Files). Imprisoned by the Syndics, Michael Geary’s one chance lies in Destina Aragon – determined commander of a regiment of hardened soldiers now caught up in a wide scale rebellion within Syndic space. Seeking to escape both their prison and Syndic space, will Geary and Aragon join forces to get home – or will the hatreds stirred by a decades-old war kill them both?

Triumphant Jack Campbell 2019-05-21 A young fleet officer and a Marine must stand together to defend their neighbors and their colony in this return to the powerful and action-packed Genesis Fleet saga from New York Times bestselling author Jack Campbell. The recently colonized world of Glenlyon has learned that they’re stronger when they stand with other star systems than they are on their own. But after helping their neighbor Kosatka against an invasion, Glenlyon has become a target. The aggressive star systems plan to neutralize Glenlyon before striking again. An attack is launched against Glenlyon's orbital facility with forces too powerful for fleet officer Rob Geary to counter using their sole remaining destroyer, Saber. Mele Darcy's Marines must repel repeated assaults while their hacker tries to get into the enemy systems to give Saber a fighting chance. To survive, Glenlyon needs more firepower, and the only source for that is their neighbor Kosatka or other star systems that have so far remained neutral. But Kosatka is still battling the remnants of the invasion forces on its own world, and if it sends its only remaining warship to help will be left undefended against another invasion. While Carmen Ochoa fights for the freedom of Kosatka, Lochan Nakamura must survive assassins as he tries to convince other worlds to join a seemingly hopeless struggle. As star systems founded by people seeking freedom and autonomy, will Kosatka, Glenlyon and others be able to overcome deep suspicions of surrendering any authority to others? Will the free star systems stand together in a new Alliance, or fall alone?

The Lost Fleet: Relentless 2009 After rescuing POWs from a labor camp in the Heradao Star System, Captain John "Black Jack" Geary discovers that the Syndics plan to ambush his fleet, forcing him to jump from one star system to the next in an effort to avoid the enemy.

The Lost Fleet: Victorious Jack Campbell 2010-04-27 The Lost Fleet: Relentless found its way onto the New York Times bestseller list... Now Victorious leads the charge again-and "Black Jack" Geary is in command... As war continues to rage between the Alliance and Syndicate Worlds, Captain "Black Jack" Geary is promoted to admiral-even though the ruling council fears he may stage a military coup. His new rank gives him the authority to negotiate with the Syndics, who have suffered tremendous losses and may finally be willing to end the war. But an even greater alien threat lurks on the far side of the Syndic occupied space.

Tom Clancy's EndWar: The Hunted Tom Clancy 2011-02-01 She's known as the Snow Maiden-an operative of a secret group dedicated to world domination. Steadfast Jack Campbell (Naval officer) 2015-04-28 New York Times bestselling author Jack Campbell continues his "series of fast-paced adventure" (SFRevu) as The Lost Fleet: Beyond the Frontier continues... Admiral John ?Black Jack” Geary and the crew of Dauntless have safely escorted important alien representatives to Earth. But before they can depart for home, two of Geary’s key lieutenants vanish. The search for his missing men leads Geary on a far-flung chase, ultimately ending at the one spot in space from which all humans have been banned: the moon Europa. Any ship that lands there must stay or be destroyed?leaving Geary to face the most profound moral dilemma of his life. To make matters worse, strains on the Alliance are growing as the Syndics continue to meddle. Geary is ordered to take a small force to the border of Syndic space. But what he finds there is a danger much greater than anyone expected: a mysterious threat that could finally force the Alliance to its knees?

The Lost Fleet: Beyond the Frontier: Leviathan Jack Campbell 2016-04-26 "Two Syndicate Worlds star systems have fallen prey to a mysterious fleet of warships, a fleet controlled entirely by artificial intelligence that is now targeting Alliance space. The warships are no mystery to Geary. They were developed by his government to ensure security, but malfunctioned. If the Syndics learn the truth, the war with the Alliance will resume with a vengeance.

As the government attempts to conceal the existence of the AI warships and its role in their creation, Geary pursues them, treading a fine line between mutiny and obedience"--

Resolute Jack Campbell 2022-06-28 Admiral John "Black Jack" Geary must battle dangers both within and without the Alliance, in this exciting continuation of the New York Times bestselling series. Geary knows that some political factions in the Alliance were just trying to get rid of him when he was assigned to escort a diplomatic and scientific mission to the far reaches of humanity's expansion into the galaxy . . . and beyond. But he views his mission as both a duty and an opportunity to make things better wherever he can. And when a crippled Rift Federation ship tumbles out of jump space, Geary leaps into action. But the survivors' story isn't completely adding up. As Geary

investigates, he soon finds himself fending off spies and assassins while leading the fleet as it fights its way across space controlled by the mysterious and hostile aliens whom humans call enigmas. Challenges arrive at every turn, including an unknown alien species that invites the fleet to visit one of their star systems. With little information to go on, Geary must weigh the benefits of potential new allies against the possibility of a trap. The fate of the fleet--and perhaps even the future of humanity--will depend on him making the right decision. If he can stay alive long enough to do that.
