Daniel Light and the Exile of Aradon C. Michael Perry 2017-08-18 ABOUT BOOK FIVE: Daniel Light and the EXILE OF ARADON What if the person you came to care for most was the only one who stood between you and what you wanted most? The conquest for the eradication of the Dark has been taken up by the second generation. Daniel's children, and the children of his associates are now embroiled in the great quest

to rid the Realms of the Darkness. Daniel's eighteen-year-old daughter, Caelith, is on a quest: to distance herself from the ways of her father. On this quest she meets an outcast, a slightly younger man near her own age, who is magically prevented from going home. Together they form a union and Caelith is slowly turned back to the life, and politics and cause of her father, Daniel Gregoryson: The Prophecy. And also to securing the return of her companion, Evermon, to his homeland. But not before she is called upon to endure the trials that the Dark has in store for her friend and herself. A Kingdom in peril would fall to the youngest of three brothers, as the older Princes are off on quests of their own. The new Queen, the King's second wife, has other plans; promoting the rise of her own, foreign-born son to the Kingship. Unknown to the Queen, the Queen she replaced is being sought for secretly; as is the true identity of the new Queen. There is something not quite right about her. The Princess of Mirador, Daniel's daughter, self-exiled, seeks freedom from her impending royal responsibilities - for she is to be Queen there. Will it be exile for one Prince of Aradon, or will all three face replacement and banishment by an insanely jealous Queen? ABOUT THE SERIES: THE CHILDREN OF THE ORB A long time ago on a planet far away there lived The Race of Enchanters, beings of Light. As is ever the situation when Light is present, so, also, is Darkness. These Sorcerors, close kin to the Enchanters, seek to influence and destroy all that had been protected and created by the Light. Other magical beings and creatures inhabit these realms and are torn and divided by this constant battle between Light and Dark; events and prophecies are ignored by the Light, The Dark, and the neutral; allegiances change and shift; power over all being the end result, for some. Then comes word of The Prophecy of Light: a being to come in the median of time to lead the Forces of Light to victory. Thus the stage is set in Colabos for Daniel Light and the Children of the Orb. STORY NOTES: The stories of Two Black Birds and The Waters Of Life (Brothers Grimm) loosely provide a basic framework on which to hang this re-imagined tale about The Children Of The Orb, which also alludes to the origin of the stories we know and love on Planet Earth as having possibly come from beyond our own Earthly experience. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.
