Remember Who You Truly Are
Sally Jane Francis 2016-04-27 This book will help you to remember who you truly are, and to be your true, authentic self, in its entirety, to unlock the beautiful spirit and essence of you. You have a soul mission: it's time to wake up to it and fulfill your destiny and be everything you ever dreamed of being, your soul and spirit self really are, unafraid to shine in a world that all too often might seem to undermine or limit you...You are filled with infinite possibilities and great gifts. Many of us are waking up from the illusion of fear, lower consciousness and vibration that we have been trapped in. Though times may be dark, the light can prevail and by holding on to our dreams and visions, we will emerge with a higher consciousness. We will shed all the restrictions of the past, and break the chains of the judgmental and fear-based systems which have ruled and limited our lives in so many ways, to take a jump and leap of faith and really be the full expression of our unique and special souls. "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul.... I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure" "What a beautiful book; one that touches you and works on so many levels." "It doesn't matter where you are on your journey, in this book you will find something new, something to remind you of who and where you are, why you are following the path you have chosen and affirmation that you are not alone, the Universe is always supporting you. I found the book easy to read, to me the energy of the words just flow off the page, and hit the spot. Read it from cover to cover, dip in and out, the choice is yours and the book supports you in what ever way you wish to connect with it. Bursting with information and and workable ways to experiment and include in your spiritual practice. Sally has worked really hard to make this work appeal to as wider audience as possible and I feel she has pulled it off with a flourish. Well done Sally, when's the next one?" "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul and I felt curiously emotional. I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure & refer to when I am in need of uplifting"

The Amazing Book of No
M. K. Mathias 2014-05-05 The Amazing Book of No was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers. "The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: The Amazing Book of No!

What's Mine Is Yours: How Collaborative Consumption is Changing the Way We Live
Rachel Botsman 2011-02-10 In the 20th century humanity consumed products faster than ever, but this way of living is no longer sustainable. This new and important book shows how technological advances are driving forms of 'collaborative consumption' which will change forever the ways in which we interact both with businesses and with each other.

Summary of What's Mine is Yours
Alexander Cooper 2021-09-25 Summary of What's Mine is Yours There's a tremendous mass of plastic floating in the sea. Woodlands the size of Greece are chopped as the year progresses. There are more shopping centers than secondary schools in America. What does this load of extraordinarily discouraging realities share for all intents and purpose? They all have to do with our practically crazy paces of consumption. Truth be told, consumption has arrived at remarkable levels. We're purchasing, consuming and tossing out more stuff than any other time throughout the entire existence of mankind, prompting the sorts of outcomes recorded previously. However it can't go on this way, thus a totally different worldview is gradually coming to fruition. That is what's going on with What Mine Is Yours: this new sort of economy by which we don't simply purchase things, use them, and toss them out. We share them, save them, or pass them along. This book outline clarify what communitarian utilization will resemble, how it'll change our present economy, and how it may very well be the most ideal approach to save the world. DESCRIPTION: Read the story that turned children into warriors, and warriors into legends. The Dairne-Reih haven't been seen in Dionia for generations-their kind and their king, Morgui, banished long ago from haunting paradise. But when creation shows signs of deterioration, the kings of the seven realms converge in the sacred Gvindollion gathering to arrive at one inexplicable conclusion: Morgui has returned. In the hopes of entrusting Dionia's brave history and perilous future to a generation that has never known war, the kings decide to raise up their young sons as an elite group of warriors, known only as the Dibor. Gorn, legendary hero of the First Battle, is commissioned to teach the Dibor the art of war, leading them on a four-year adventure on the Isle of Kirstell. It is Luik, son of Lair, who soon emerges as the warband's spirited front man. But he is not the only one of his peers to grow in power; his dear friend Fane discovers hidden abilities among the Mosfar under the mentorship of Li-Saide of Ot, while Princess Anorra finds that her lifelong tutor knows as much about combat as he does about etiquette. There is little time for the Dibor to enjoy the satisfaction of graduation, however, as a sinister plot is discovered to dethrone Dionia's kings and flatten the capital city of Adriel. The Dibor are summoned to war, along with the rest of Dionia's fighting men. It is before the gates of Adriel Palace that Luik and his army face Morgui's prince, Valdenil, as well as the unending ranks of the Dairne-Reih.

SUMMARY - What's Mine Is Yours: the Rise of Collaborative Consumption
by Rachel Botsman and Roo Rogers
Shortcut Edition 2020-12-02
* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes.*As you read this summary, you will discover the advent of collaborative consumption, a global phenomenon that values use rather than possession, by pooling resources.*You will also discover how : it most often goes through digital platforms; it creates a link between people who have common interests; it rethinks ownership and use; it makes it possible to waste resources less through sharing, bypassing hyperconsumption; it builds trust between strangers; it redefines value through sharing.*There has been a dazzling explosion of collaborative consumption systems dedicated to connecting people with each other. Better than a tirade about the excesses and waste of consumerism, the book offers a way out and a positive perspective on what collaboration, exchange and trust can enable.*Buy now the summary of this book for the modest price of a cup of coffee!

The Rise of the Sharing Economy: Exploring the Challenges and Opportunities of Collaborative Consumption
Pia A. Albinsson 2018-01-04 This is the ultimate source for anyone who wants a comprehensive view of how the sharing economy began and how it may fundamentally change capitalism across the globe.
• Takes a global and multidisciplinary approach to defining the sharing economy, its facilitators, and its outcomes
• Provides a concise yet thorough study of the sharing economy, in one volume
• Presents case-based research to explain how the sharing economy works
• Offers real-world examples of collaborative consumption and of sharing economy organizations

These Kids of Mine
Cristina Ward 2015-10-16 This is a poem/ story kids having fun. Sometimes they don't get along, but at the end of the day they learn to forgive each other and be happy.

Whole
Brian Seth Hurst 2012-10-14 What do you do after life has handed you a wake-up call?Author Brian Seth Hurst experienced a significant professional setback, but, rather than "soldier on," he recognized it as a profound opportunity to acknowledge a deeper foundation at work in his life. It is the affirmation that there is sheer power in what one believes, and, for better or worse, those beliefs are the foundation for the reality we create.The question of "Why?" began a thirty-day inquiry and adventure for Hurst into the unknown. The result is the book W H O L E - a collection of powerful essays that examine how beliefs serve, or do not serve, us in our lives, how those beliefs can be transformed to change our circumstances, and the power of the ultimate connection to Source.What do you do after life has handed you a wake-up call? If you decide to remain awake, then you begin looking at your life. W H O L E is your companion as you review the past, balance all areas of your life, and begin to create anew.W H O L E prompts a very personal, progressive, and conscious examination of concepts and belief systems in every area of your life, ranging from relationships, work and time, to money, the environment, morality and your purpose. It asks provocative and thoughtful questions that lead to understanding.How do you reconcile everything that has happened and is happening in your life with the one you truly want? The good and the bad, the joy and the hurt, the wins and the losses - all those parts form the experience of your life and your identity. Yet, you are much greater than the sum of all those parts.W H O L E allows you to make sense of the pieces of your life as part of the greater being that is You.W H O L E presents you with the opportunity to reconcile the past, arrive wholly connected in the present, and create your future.W H O L E literally answers the question, "What was I thinking?""To know "wholeness" in the duality of your reality, you must know broken.To know broken is to recognize that you are, always have been, and always will be WHOLE."

What's Mine and Yours
Naima Coster 2021-03-02 A Read with Jenna Today Show Book Club Pick! An instant New York Times bestseller! A USA Today bestseller! Named a Best Book of 2021 by Amazon • Esquire • Marie Claire • Refinery29 • Kirkus • Redbook • Ms. Magazine • The Millions • Undomesticated Magazine • Paperback Paris "A once-every-few-years reading experience."—Mary Beth Keane, New York Times bestselling author of Ask Again, Yes "Coster portrays her characters' worlds with startling vitality. As the children fall in lust and love, grapple with angst and battle the tides of New South politics, Coster's writing shines"—New York Times Book Review From the author of Halsey Street, a sweeping novel of legacy, identity, the American family—and the ways that race affects even our most intimate relationships. A community in the Piedmont of North Carolina rises in outrage as a county initiative draws students from the largely Black east side of town into predominantly white high schools on the west. For two students, Gee and Noelle, the integration sets off a chain of events that will tie their two families together in unexpected ways over the next twenty years. On one side of the integration debate is Jade, Gee's steely, ambitious mother. In the aftermath of a harrowing loss, she is determined to give her son the tools he'll need to survive in America as a sensitive, anxious, young Black man. On the other side is Noelle's headstrong mother, Lacey May, a white woman who refuses to see her half-Latina daughters as anything but white. She strives to protect them as she couldn't protect herself from the influence of their charming but unreliable father, Robbie. When Gee and Noelle join the school play meant to bridge the divide between new and old students, their paths collide, and their two seemingly disconnected families begin to form deep loyalty, messy ties that will shape the trajectory of their adult lives. And their mothers—each determined to see her child inherit a better life—will make choices that will haunt them for decades to come. As love is built and lost, and the past never too far behind, What's Mine and Yours is an expansive, vibrant tapestry that moves between the years, from the foothills of North Carolina, to Atlanta, Los Angeles, and Paris. It explores the unique organism that is every family: what breaks them apart and how they come back together.

What's Next for You?
Fernando Soto 2014-03-06 Fernando Soto dreamed of owning a business. For years he worked and struggled, never imagining that he could have a better life and then one day he woke up and believed that he could. In What's Next for You?, Mr. Soto shares the secrets to the fulfillment of his dream. But guess what? It's no secret at all. Living your dream is possible through hard work, dedication and an unrelenting will to succeed. Today, Mr. Soto owns a contract janitorial services company that services a broad range of clients in a variety of industries, from small office clients to automobile dealerships, manufacturing facilities, office buildings, medical practices and universities. One of his largest clients has annual revenues exceeding \$550 million with over ten thousand employees! He built his business from the ground up, taking notes and sketching his ideas on the manufacturing floor where he worked for years as an employee. The company where he last worked is now one of his valued clients. "Anything is possible," Mr. Soto says. Just keep your dream front and center and with Mr. Soto's help, you could be living your dream life, too.

What's Mine Is Yours Int'l
Rachel Botsman 2010-09-14 The recent changes in our economic landscape have notably exposed and intensified a phenomenon: an explosion in sharing, bartering, lending, trading, renting, gifting, and swapping. From enormous marketplaces such as eBay and craigslist to emerging sectors such as peer-to-peer lending (Zopa) and car sharing (Zipcar), Collaborative Consumption is disrupting outdated modes of business and reinventing not only what we consume, but how we consume. While ranging enormously in scale and purpose, these companies and organizations are redefining how goods and services are exchanged, valued, and created—in areas as diverse as finance and travel, agriculture and technology, education and retail. Traveling among global entrepreneurs and pioneers and exploring rising ventures as well as established companies adapting to these opportunities, the authors outline in bold and imaginative ways how Collaborative Consumption may very well change the world.

What's Mine Is Yours
Rachel Botsman 2010-09-14 "Amidst a thousand tirades against the excesses and waste of consumer society, What's Mine Is Yours offers us something genuinely new and invigorating: a way out." —Steven Johnson, author of The Invention of Air and The Ghost Map A groundbreaking and original book, What's Mine is Yours articulates for the first time the roots of "collaborative consumption," Rachel Botsman and Roo Roger's timely new coinage for the technology-based peer communities that are transforming the traditional landscape of business, consumerism, and the way we live. Readers captivated by Chris Anderson's The Long Tail, Van Jones' The Green Collar Economy or Malcolm Gladwell's The Tipping Point will be wowed by this landmark contribution to the evolving ecology of commerce and sustainability.

What's Yours is Mine
Tom Slee 2017-11-23 Airbnb facilitates the booking of over 37 million overnight stays per year. Uber operates in 450 cities in 60 countries. Both claim to be part of the rapidly growing 'sharing economy' — but what does that actually mean? Here, Tom Slee offers a razor-sharp examination of the 'sharing economy': from its genesis in open-source software and media file sharing, through to the present day popularity of Uber, Airbnb, Taskrabbit, and similar services, which operate outside of normal business regulations, taking on none of the risk or responsibility when something goes wrong. He asks, how did we get from the generosity of what's mine is yours, to the self-interest and greed of what's yours is mine?

Centralia PA
Andrew Shecktor 2014-03-15 Moved by previous visits to the Centralia, and ultimately by a trip to the now deserted town, which was bought out by the state following an unstoppable mine fire that began in 1962, the author was inspired to write a fitting eulogy. The novel is a fictional accounting based on fact and metaphorically presents the mine owners and industrialists as Satanical manifestations in need of exorcism. It is a wonderful mix of period fact with fiction - there is much to learn while enjoying a fanciful journey through the author's imagination. Sample from the book: "More water! More water damn it! The fire is spreading!" From behind a fire pumper a soot covered black-faced fireman came running and shouting, "Around the other side! Quickly!" Three more fire fighters joined in, sweat pouring from their brows in the 83 degree heat, made many times hotter by the raging fire, dragging limp cloth hose toward the quickly spreading fire that was reaching out in anger from the pit. "Charge the line," screamed a scrawny teenage fireman. The hose they were carrying quickly filled and whipped along like a disturbed snake. The fire, in the pit of an old abandoned strip mine near the Odd Fellows cemetery was started once or twice a year to burn excess municipal rubbish, but had never gotten out of control, as did this one. This fire was started on May 27 to clean up rubbish and municipal waste in preparation for the Memorial Day celebration, and was then extinguished by the fire department and was thought to have gone out. It had again re-kindled on May 29 and was put out late in the evening. It again re-kindled on June 12, though not as bad. Now it had re-kindled yet again, this time with a vengeance, as if set by Satan himself. None of the locals had ever seen such an inferno.

Good Reception
Matt Mills 2012-09-01 How does it feel to be here and there - at the same time? Maxwell Greyson refers to himself as a project manager but really only makes use of that title in an attempt to mask his ridiculousness, which is something that has plagued him all of his life. He unwittingly

embarks on a quest to find what he's always sought. He finds it, or rather he finds something, but doesn't know exactly how to process it or what to do with it. What ensues is a journey that starts at zero and ends up near the edge of the multiverse. Or is it the other way around?

What's Yours is Mine
Adam D. Thierer 2003 This book explores how regimes that respect property rights including the right to exclude rivals better serve consumers and innovation.

Who Can You Trust?
Rachel Botsman 2017-11-14 If you can't trust those in charge, who can you trust?From government to business, banks to media, trust in institutions is at an all-time low. But this isn't the age of distrust—far from it. In this revolutionary book, world-renowned trust expert Rachel Botsman reveals that we are at the tipping point of one of the biggest social transformations in human history—with fundamental consequences for everyone. A new world order is emerging: we might have lost faith in institutions and leaders, but millions of people rent their homes to total strangers, exchange digital currencies, or find themselves trusting a bot. This is the age of "distributed trust," a paradigm shift driven by innovative technologies that are rewriting the rules of an all-too-human relationship. If we are to benefit from this radical shift, we must understand the mechanics of how trust is built, managed, lost, and repaired in the digital age. In the first book to explain this new world, Botsman provides a detailed map of this uncharted landscape—and explores what's next for humanity.

Miraculous Me
Ruth Pendergast Sissel 2014-04-01 What thoughts crossed your mother's mind the first time she saw you? What dreams did your father hold in his heart? Told from the perspective of a baby in utero whose parents are seeing the ultrasound picture for the first time. A colorful and inspiring way to instill the message that we are each wonderfully treasured and made. Fun Fact: In early spring 2013, while putting socks on her newest daughter's feet, the author Ruth spoke out loud, "Look at those toes, where will they go?" In a moment of sheer inspiration, she grabbed her eldest daughter's Tinkerbell notebook, and between folding laundry and scrambling eggs, wrote the manuscript for this book.

Benevolent Devon
Trevarrow Flaherty 2013-02 Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

Through the Children's Gate
Adam Gopnik 2010-06-18 Following Adam Gopnik's best-selling Paris to the Moon, the adventure continues against the panorama of another storied city. Autumn, 2000: the Gopnik family moves back to a New York that seems, at first, safer and shinier than ever. Here are the triumphs and travails of father, mother, son and daughter; and of the teachers, coaches, therapists, adversaries and friends who round out the extended urban family. From Blie, a goldfish fated to meet a Hitchcockian end, to Charlie Ravioli, an imaginary playmate who, being a New Yorker, is too busy to play, Gopnik's New York is charmed by the civilization of childhood. It is a fabric of living, which, though rent by the events of 9/11, will reweave itself, reviving a world where Jewish jokes mingle with debates about the problem of consciousness, the price of real estate and the meaning of modern art. By turns elegant and exultant, written with a signature mix of mind and heart, Through the Children's Gate is at once a celebration of a newly fragile city and a poignant study of a family trying to find its way, and joy, within it.

Killing Kennedy
Steven Hager 2017-01-22 Despite an avalanche of disinfo being dumped by the major media over the decades, the assassination of JFK has finally unraveled. A renegade CIA station working with a Sicilian secret society orchestrated the hit, but their participation would never have been so massively covered-up unless they were working for elements higher up the chain-of-command. Whether you are new to this case, or a longtime researcher, you will find these penetrating essays both entertaining and enlightening.

Dragon
Finley Aaron 2014-11-24 Dragon—Book One of the Dragon Eye series!Isa has been afraid of dragons ever since she saw them in the sky the night she was chased from her village as a child. Now, a decade later, she'd love to return to the place she once called home—if only she knew where to find home.Truth is, Isa doesn't know who she is. She only knows her father left her in the care of a guy named Ram, who teaches her swordsmanship in a butcher shop until the day when it's safe for her to continue home.But it may never be safe, and their enemies are closing in. Isa and Ram are being hunted, and they must flee through the dangers that bar them from their homeland. The journey will require all their skill and strength, but it will also uncover the secrets of who Isa is and where she belongs. She's always longed for the truth, but once she learns it, can she accept it? Is she...a dragon? And do those ancient monsters even deserve to live?The Dragon Eye series books:One: DragonTwo: HydraThree: PhoenixFour: VixenFive: DraculSix: Basilisk*What's Mine is Yours*
Rachel Botsman 2011 Articulates the rise of consumption through technology-based peer networks. Suggests that new forms of business based on sharing and collaboration are changing the way we work, consume, and live.

Lodestone Book One
Mark Whiteway 2010-04-12 All-Kar, a white-hole portal from another universe, rains meteoroids onto the surface of the planet Kelanni. But the so-called "lodestones" behave according to different physical laws, transforming Kelanni's society. With the aid of the fearsome Keltar in their flying cloaks, the Kelanni are being put to forced labor to mine the lodestones. Shann, an orphan with a fiery disposition, witnesses a battle between a Keltar and a stranger bearing a similar flying cloak. She tracks down the stranger, learning of the technology behind the Keltars' power and joining him on a mission to free the slaves and cut off their supply of lodestones. Meanwhile Keris, a Keltar, is sent on a mission to track down the rebels. She is attacked by a flying creature and saved by the enigmatic Chandara. At their Great Tree, she learns that a mysterious "Prophet" is out to destroy the Kelanni people. Their only hope is a powerful instrument hidden in the distant past. Pursued by Keltar, the party will encounter bizarre creatures, ancient technologies and terrifying dangers. Finally, they must seek to cross a massive storm barrier in order to reach the other side of their world, where a world-shaking revelation awaits.
Impact of Disruptive Technologies on the Sharing Economy
Gao, Ford Lumban 2021-06-25 Because it continually implements entrepreneurial creativity and innovative business models, the economic landscape is ever-changing in today's globalized world. As consumers become more willing to accept new strategic trends, this has led to the emergence of disruptive technologies. Since this equipment has an insufficient amount of information and high risks, it is necessary to assess the potential of disruptive technologies in the commercial environment. Impact of Disruptive Technologies on the Sharing Economy provides emerging research exploring the theoretical and practical aspects of disruptive technologies and knowledge-based entrepreneurial efforts and applications within management, business, and economics. Featuring coverage on a broad range of topics such as consumer ethics, corporate governance, and insurance issues, this book is ideally designed for IT specialists, IT consultants, software developers, computer engineers, managers, executives, managing directors, students, professors, scientists, professionals, industry practitioners, academicians, and researchers seeking current research on the consequences of disruptive technologies.

Shorty's Not So Lost Mines and Treasures of Southern Oregon
Steve "Shorty" Owen 2009-06 A collection of stories about mines and miners of southern Oregon; includes tables of mine coordinates in Douglas, Coos, Curry, Josephine, and Jackson counties.

Unspoken Memories
Gabbie S Duran 2014-05-21 She awoke with no memory of who she was, but one clue will lead her to him... Abigail Adams had it all, she's a gorgeous supermodel, has a wealthy fiance, and a career on the rise. But that quickly changes when she wakes up in the hospital not remembering anything. The only memories she does have are not her own, but of a total stranger. When Abigail discovers that her fiance has been cheating on her, she leaves him and runs to the arms of the one man she is hoping will give her the answers she seeks. Matt Garcia is used to playing the field, keeping his heart guarded, but then Abigail Adams unexpectedly shows up at his door hoping he will be the answer she is looking for. Will he finally learn to take a break from his no strings attached lifestyle and show her that she doesn't need her past, but the future he is willing to offer her? With every unspoken memory she regains, will she learn to open up her heart to a total stranger, or will she keep it guarded like he does? New Adult Contemporary Romance: Due to strong language and sexual content, not intended for readers under the age of 18.

Who's the Bitch Now?
J.C. 2017-06-11 Very few people would challenge Fabian, the star running back whose about to go pro. Not merely for the beast that he is on the field, but also the one he becomes when he drinks. Eric Certain isn't quite so lucky. His brother Tyrig is terminally ill. But Eric's luck is sure to run out when he and Fabian soon cross paths. Scorned and scarred in the years that follow, Eric inflicts a few of his own. Will the now famous athlete hold it together, or will Eric cause him to lose it all?

Thoughtful Dementia Care
Jennifer Ghent-Fuller 2012-04-03 Ghent-Fuller offers insights into emotional reactions and practical suggestions based on deep understanding of the way people with dementia view many situations. She explains the loss of various types of memory and other thinking processes, and describes how these losses affect the day to day life of people with dementia, their understanding of the world around them and their personal situations.

Handbook of Research on Innovations in Technology and Marketing for the Connected Consumer
Dadwal, Sumesh Singh 2019-11-15 Connected customers, using a wide range of devices such as smart phones, tablets, and laptops have ushered in a new era of consumerism. Now more than ever, this change has prodded marketing departments to work with their various IT departments and technologists to expand consumers' access to content. In order to remain competitive, marketers must integrate marketing campaigns across these different devices and become proficient in using technology. The Handbook of Research on Innovations in Technology and Marketing for the Connected Consumer is a pivotal reference source that develops new insights into applications of technology in marketing and explores effective ways to reach consumers through a wide range of devices. While highlighting topics such as cognitive computing, artificial intelligence, and virtual reality, this publication explores practices of technology-enabled digital marketing as well as the methods of applying practices to less developed countries. This book is ideally designed for marketers, managers, advertisers, branding teams, application developers, IT specialists, academicians, researchers, and students.

Remembering Joy
Jenni Moen 2013-06-13 One mistake can shatter dreams and shape the future. Alexis knows this first hand. Even though her memory of that day is hazy, she has spent the last ten years trying to put it behind her. Armed with the knowledge that her career will be her only legacy, Alexis works night and day to prove that she is more than just her last name. It's not only that she doesn't have time for love. She doesn't have the heart for it. After all, there's no point in starting something you can't finish. When she meets Adam, she's drawn to him in a way even she can't deny. The film student is dark and brooding and strangely charming. He's the perfect distraction from her mundane life. And, as if fate is pushing them together, he seems to be around every corner. It's enough to almost make her entirely forget about her past and take a chance. But Adam can recall every detail that she's forgotten. What she doesn't remember, he can't forget.

The Mountain Throne
A. M. Sterling 2017 Aged emperor Thelden III Arrigar's last days are approaching and the Empire's leaders are taking sides in a struggle for power between rival heirs. Blood runs in the streets and the nights are thick with intrigue. Drake Arrigar, bastard prince and half-blooded sorcerer. Darius of Lorrond, foreign-born initiate of a holy order of warriors sworn to the Empire. Leasha, senior maiden and chief spy for the Emperor's daughter. These three unlikely friends must navigate the coming storms as plots, violence, and unholy barbarians tear their lives apart. Their trials, failures, and triumphs will have far-reaching consequences, for their people and for their own futures.

The Loons

Celebrate the DeLune with Christy as she navigates their eccentricities while discovering that wily estate attorney are running their own scam. Christy soon finds herself fighting not only for The Loon, but also for a new life.

Memphis 1873
Dennis D. Carrigan 2014-10-09 Having survived the worst effects of the Civil War, the city of Memphis, battered but unbowed, finds itself facing a far more dangerous foe. It is invisible, lethal, and unstoppable: a plague of yellow fever. It is the story of JP Mahoney, 14-year-old farm boy who dreams of escape from tedious chores and farmlife routine. It is the story of a courageous young woman, Ginnie Moon, onetime Confederate spy, who now operates a boarding house for men who have survived the war. And it is the story of Kevin O'Boyle, an embittered riverfront laborer, who blames the world for his troubles, and finds the crippled city his perfect prey. Several characters in the novel are actual historical figures, most notably Ginnie Moon, Judge "Pappy" Hadden, and Cap'n Jim Lee. Their actions, and those of the other characters, are entirely fictional. The plague, one of several to hit the city in the years following the war, was all too real.

Confederate Winter
Kurt M. Vettters 2012-07-12 Confederate Winter is historical fiction based on a true family story backed up by an affidavit in the Confederate archives in Montgomery, Alabama. The author's great, great, great grandfather, William Sweeney, fought as a Confederate soldier at the tender age of 14. His father, John, had been drafted the year before into the Union Army. Confederate Winter is their story. By 1864 the Confederacy is on the verge of defeat. Atlanta has fallen and Confederate General John Bell Hood's army is in retreat. Hood formulates a bold plan to re-capture Nashville, the great base for the Union army in the West. A victory could change the course of the war. Hood needs manpower, however, and sends his conscription parties out to scour the countryside. Confederate Winter tells the story of a true-life family caught up in this grand adventure. The Federals conscript John Sweeney, the father, in late 1863 as General Sherman prepares his march on Atlanta and the sea. His son William is left in charge of the family farm, until one early fall morning...

Developing Ecological Consciousness
Christopher Uhl 2020-02-01 Developing Ecological Consciousness is a unique environmental studies textbook. Rather than working through a list of environmental problems, it aims to help students become aware of the awe and wonder of our planet, understand some of the challenges facing it, and explore possibilities for action and change. This text is appropriate for courses in a variety of disciplines, including environmental studies, biology, sociology, and political science.
